***A Biography by Om Prakash VK Gahatraj***

**Published by Dalit NGOs' Federation, Nepal/DEI Project (2005)**

“In the Dalit Movement of Nepal, Mohanlal Kapali has created a history, and holds a respectable place in it. Mr. Kapali, who has spent almost all of his lifetime for upliftment and development of Dalit class, has had experience of scrutinizing the tribulations faced by Dalit class in the undertakings by three different systems of regimes in Nepali politics. He has observed very closely how the conditions of Dalit class have been under the Rana regime, the Panchayat and the democratic system, and has been seen always active to make the difference from his part. “
